DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Policy Development and Research

[Docket No. FR-3843-N-03]

Announcement of Funding Awards for Fiscal Year 1995 Community Development Work Study Program

AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this document

notifies the public of funding awards for the Fiscal Year 1995 Community Development Work Study Program (CDWSP). The purpose of this document is to announce the names and addresses of the award winners and the amount of the awards to be used to attract economically disadvantaged and minority students to careers in community and economic development, community planning and community management, and to provide a cadre of well-qualified professionals to plan, implement, and administer local community development programs.

SOURCES OF FURTHER INFORMATION:

Prospective students interested in participating in the CDWSP should contact directly the grantees listed below representing the colleges or universities that they would be interested in attending; HUD does not directly accept student applications or accept students into the program. Universities, Colleges, States and areawide planning organizations interested in receiving a grant application kit (which contains detailed information about the CDWSP) or a brief written program summary should contact HUD USER, P.O. Box 6091,

Rockville, MD 20849, (800) 245-2691, and should specifically reference the Community Development Work Study Program. Persons having technical questions about the program should contact John J. Hartung, Office of University Partnerships, U.S. Department of Housing and Urban Development, Room 8130, 451 Seventh Street, SW., Washington, DC 20410, telephone (202) 708-1537, extension 261. To provide service for persons who are hearing- or speech-impaired, this number may be reached via TDD by dialing the Federal Information Relay Service on (800) 877-8399, or 202-708-9300. (Telephone numbers, other than the two "800" numbers, are not toll free.)

SUPPLEMENTARY INFORMATION: The CDWSP is administered by the Office of University Partnerships under the Assistant Secretary for Policy Development and Research. The Office of University Partnerships administers HUD's ongoing grant programs to institutions of higher education and creates initiatives through which colleges and universities can bring their traditional missions of teaching, research, service, and outreach to bear on the pressing local problems in their communities.

The CDWSP was enacted in the Housing and Community Development Act of 1988. (Earlier versions of the program were funded by the Community Development Block Grant Technical Assistance Program from 1982 through 1987 and the Comprehensive Planning Assistance Program from 1969 through 1981.) Eligible applicants include institutions of higher education having qualifying academic degrees, and States and areawide planning organizations who apply on behalf of such institutions. The CDWSP provides funds for tuition support (up to \$3,000 per year for an undergraduate student and \$3,500 per year for a graduate student), a work stipend (up to \$6,000 per year for an undergraduate and \$9,000 for a graduate student, for internship-type work in community development and related fields), additional support (for books and travel related to the academic program, up to \$1,000 per year for an undergraduate student and \$1,500 per year for a graduate student), and an administrative allowance (to grantees to offset some of the administrative costs of the program, fixed at \$1,000 per year for each participating student). Each participating institution is funded for a minimum of three students and a maximum of ten students under the CDWSP.

On January 20, 1995, HUD published a Notice of Funding Availability announcing the availability of \$3 million in FY 1995 funds for the CDWSP (60 FR 4338). The Department reviewed, evaluated and scored the applications received based on the criteria in the NOFA. As a result, HUD has funded the applications announced below, and in accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989), the Department is publishing details concerning the recipients of funding awards, as set forth below.

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

ADDRESSES: For further information, contact David Pollack, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708-1234; TDD number for the hearing- and speech-impaired (202) 708-5652 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 56 FR 23789 (May 24, 1991) and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Judy Breitman, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A-10, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number). HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 56 FR 23789 (May 24, 1991).

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to David Pollack at the address listed at the beginning of this Notice. Included in the request for review should be the property address
